

OUR TRUE GOLD / 50 YEARS OF THE ARTS SOCIETY

Press Release / August 2018

Over the years The Arts Society has built strong links with museums, heritage sites and galleries through tours and visits, and the work of our dedicated volunteers.

As part of our 50th anniversary celebrations, our local Societies and Area teams invite you to attend Our True Gold activities and events across the UK around the weekend of 22-23 September.

This initiative aims to acknowledge our partners and celebrates our joint achievements over many years. Events will take place in venues where Societies have worked in partnership. They will introduce members of the public to the venue's collection (their 'true gold') and to the important work of our volunteers.

Events range from Greater London Area's jubilee celebration at Bridewell Hall, comprising of three lectures and a music recital, to The Arts Society Painswick's exhibition, children's trail and craft workshop at Stroud's Museum in the Park.
