No. 4 – Autumn 2026

THIS AUTUMN'S HIGHLIGHT

Art Fusion is back. After February's inaugural exhibition drew more than 300 people to the Hotel Artmadams, the next **Art Fusion** will unfold at the spectacular new venue of Palma's prestigious **Club de Mar - Mallorca**. This will offer ASM members and friends another opportunity to immerse themselves in the Island's burgeoning art scene. Curator Gudula Becker will again select a broad group of artists. Their works and displays will showcase a diverse range of media and conceptual foci. Whether for collections or gifts the artistic expressions on offer will appeal to a range of budgets.

7 November 2026, 11.00 – 17.00: Art Fusion, Club de Mar - Mallorca

ARTIST IN FOCUS

British-American artist **Claudia Vanessa Fallis** has called Mallorca her

home since 1995. Over the years, her creative career has taken her from painting and interior design to art direction for films and television. Today, she devotes herself to painting at her **Art Studio Portals**, where her work continues to evolve through experimentation and exploration. She also gives art classes with some culinary treats at her studio. Read the full portrait of Ms. Fallis in the News section of our website.
