

2017- Wendy Burdett

In June 2017 HADFAS sponsored an artist, Natasha Rehman, to help the children of Redbourn Junior School to create a 9-meter-long painted mural to go on an exterior wall at the school. The project took place during the school's Arts and Science week and all 270 children had prepared a design based on mathematical shapes. Twenty HADFAS members volunteered to help the children, and it was a rewarding experience for everyone. The unveiling took place on 6th October 2017 and was attended by pupils, parents, teachers and HADFAS members.

The project was financed by HADFAS, Redbourn Primary School, and grants from Area and the Patricia Fay Fund.
