Thank you for enquiring about membership of our society. We hold 10 lectures each year on a variety of fine art topics, each one given by a professional who is an expert in their field, starting in September and held in Southwold Arts Centre, St Edmund’s Hall on a Tuesday afternoon. Our current membership is about 190 and covers a wide area of North-East Suffolk. The programme for the year can be viewed on our website, details above.

Special Interest Days are usually arranged twice a year when a topic will be studied in greater depth over one day with a light lunch included if required. We also arrange holidays and visits to places of interest or exhibitions both locally and further afield. Upcoming events and visits can be viewed on our website.

The subscription is £35* per person per year which covers the monthly lectures and includes a contribution to The Arts Society Headquarters who produce the “Arts Society Review”, the national magazine delivered quarterly to all members. If you are not sure whether to join, you would be very welcome to attend a lecture as a visitor first.

I look forward to meeting you and welcoming you to our society but if you require any additional information please contact me on 01986 874000 or by email as shown above.
