

The Arts Society Eastbourne Visit Tuesday 23rd April 2019
Chichester & Champs Hill

** Additional pick-up & drop off point at East Dean Village Hall

This is an easy to manage day with free time spent in Chichester during the morning. Places of interest to visit are the beautiful cathedral, the shopping area with its host of individual shops and the Pallant Art Gallery. The latter on a Tuesday is half-price!! Within the Pallant is a cafe where you can have light refreshments. To those among you who are not familiar with Chichester, everything is very close to each other so you do not have to walk very far to get to your objective. Lunch should be taken before we depart for Champs Hill.

Our coach will then take us on to Champs Hill. Champs Hill is administered by The Bowerman Charitable Trust. On our visit we will be seeing a collection of paintings from the Newlyn School. The exhibition will include paintings by Stanhope Forbes, Elizabeth Forbes, Walter Langley and many others from this important school. Outside of the house and surrounding it, is the main garden leading into the woods. The garden houses various sculptures of interest and well worth a visit.

During our visit tea/coffee and biscuits (included in price of visit) will be served in the Barn area where there are also toilets plus the ones adjacent to the car park.

We will leave for Eastbourne at 4.15pm.

Transport will be by L.J. Edwards luxury coach with air-conditioning.
