THE SNAKE DAVIS

Band

Classic Sax Solos

The sax man on over 400 records and many classic hits, Snake has worked with some of the worlds biggest acts including **Take That, Lisa Stansfield, The Eurythmics, George Michael, Ray Charles, Tom Jones** and, of course, **M People** to name just a few.

Snake & his band perform a myriad of classics such as **Baker Street, Will You, Young Americans** and his own solos from **Million Love Songs, Moving on Up, Search for the Hero and Change**. What's more, he also tells you a bit more about them, fascinating facts and insights into the music we already love.

Imagine a room full of the saxophone greats; **Junior Walker, King Curtis, Clarence Clemmons, Charlie Parker, Michael Brecker** and more. Snake can deliver them all; Sultry sax, searing sax, screaming sax, sexy sax, soulful sax. This show has it all.
