

Visit to  
**Weald & Downland**  
**Living Museum**  
Thursday 2<sup>nd</sup> May 2019

Our Spring visit is to The Weald & Downland Living Museum near Chichester.

The buildings located at the museum were all threatened with destruction and, as it was not possible to find a way to preserve them at their original sites, were carefully dismantled, conserved and rebuilt in their historical form at the museum. The 40-acre site has more than 50 historic buildings, from a replica Anglo-Saxon hall house to an Edwardian tin church

The collection of buildings represents almost a thousand years of rural life in south-east England: furnished just as they would have been in the past – complete with roaring fires – the homes, farms and public buildings. Along with the buildings, there are "hands-on" activities, like cooking, and weaving. There are demonstrations, including milling in the 17th century watermill, cooking in the Tudor kitchen, blacksmithing in the Victorian smithy.

We plan to arrive by 10:30am and have tea/coffee before having a guided tour of the site.

Lunch may be taken at the on-site café leaving the afternoon free for further exploration of the Museum.

The cost of **£37** includes entrance fee, tea/coffee, tour, coach journey and driver's tip.

The coach will leave Canford Cliffs at 8:20am, Portarlinton Road/Clarendon Road at 8:30am.

We shall rejoin the coach at 4:00pm hoping to arrive back at around 6:00 pm.
